

2018 Jim Levine Legacy Scholarship

Scholarships that support students who have faced personal challenges toward reaching their goals

COMPLETED APPLICATION DUE DATE May 11, 2018 5:00 p.m.

The Jim Levine Legacy Scholarships (JLLS) honor Jim for his lifetime of making a difference in the lives of children and youth in Mendocino County. When he passed away suddenly on January 1, 2013, we all lost a dear friend. Jim began his nearly 40 year career relationship with the Mendocino County Youth

Project in 1974. He joined the “Youth Project” team as a para-professional Youth Worker, and went on to become the Executive Director. As his family and friends will tell you, “he found work that fed him, he did it well.” His interest in youth came from his innate kindness coupled with a deep understanding of what can make a difference in a child’s life. He was known throughout Mendocino County and the state of California as a mentor and advocate for children, youth and young adults. It is not surprising that many youth whom he mentored found themselves driven to follow his footsteps, and as adults obtained certification or college degrees and work in the human services field. In conversation, many openly share their fond memories of Jim, how he helped them, and that they are “paying back” through helping youth as he did.

Much of Jim’s hands-on work while at the Youth Project focused on identifying needs and building intervention and prevention services to help troubled or neglected youth avoid the criminal justice system. Through his constancy, his “fingerprints” are still visible throughout the agency. The staff of the Youth Project fondly recall his consistent adherence to his belief in the goodness of people, his joy in working with others, his generosity of spirit, and his unrelenting passion for the mission of the Youth Project. To preserve his memory and the unquenchable spirit he brought to making a profound difference in the lives of thousands of youth, and in those of everyone who knew, loved and worked with him, MCYP created the annual Jim Levine Legacy Scholarship Awards, to be awarded each spring six to graduating high school seniors in Mendocino County High Schools.

The JLLS awards are stewarded and presented by the Board of Directors of the non-profit affiliate within MCYP, the Mendocino Family & Youth Services.
